## **Lloyd Brothers Motor-sports and Aprilia USA announce Agip Sponsorship**

American Agip Co. Inc. manufactures and distributes a complete and superior line of lubricants in USA and Canada from its own industrial facilities in Cabot, PA. American Agip masters international state-of-the-art know-how for the formulation of products for vehicles (engine oils, special fluids and transmission oils) and industries (lubricants for hydraulic systems, industrial machinery and metal processing).

The Agip brand stands for top quality products that meet the highest industry standards. *"At American Agip we take a great deal of pride in the quality and performance of our products: our R&D activities which are on the cutting edge of the industry demands, meet today requirements with tomorrow expectations".*

*"We are delighted to race test the quality of our products with Lloyd Brother Motor Sports and Aprilia in the gruelling environment created by both endurance road racing and flat track racing" says Chester Cronin, Head of North America Agip Lubricants Division.*

*"We are very excited to cooperate with Agip in not only our flat track efforts, but also to help us maintain our current Moto-ST points lead through the finish of the season"*

*"Only the highest quality products consistently survive in endurance racing; with Agip and Aprilia we are quite confident in our ability to finish well in each event" reports team co-owner David Lloyd.*
